

ABCCM Medical Ministry Spring 2021

Current Needs:

- Ventolin Inhalers that are still sealed in the original container and still within date.
- Automatic Blood Pressure Cuffs for our patients with hypertension.
- A couple of lightly used wheelchairs are needed.

Volunteer Opportunities

Doctors:

Tuesday Morning Clinic (9 am – 12 noon) weekly.

Adopt a Space:

Individuals and groups to adopt a section of the grounds and assist with year-round maintenance and upkeep. Opportunities range from trimming to weeding to raking leaves.

Exterior painting project:

Exterior painting project for an adult group. Would need to be on a weather appropriate day.

Outside Yard Work:

Individuals and groups to assist with various projects including trimming, weeding, and mulching.
